Remarks

Opportunity is knocking on this oversized double lot home in Punta Gorda. This 3-bed, 2-Bath home experienced flood damage, but the drywall was removed above the waterline, and the property has been dried out. It's clean, open, and ready for someone to bring it back to life. Whether you're an investor looking for your next project or a buyer who wants to customize a home from the ground up, this property gives you the space, location, and potential to make it happen. Homes with this kind of upside on a double lot don't come around often. Take a look, run the numbers, and bring your vision.
